RECEIVED
CENTRAL FAX CENTER

JUL 08 2004

OFFICIAL

For: Fabrication of Dielectrically Isolated Regions of Silicon in a Substrate

FACSIMILE TRANSMITTAL LETTER

FAX NUMBER: 703 872-9319 703 872-9318

TOTAL NUMBER OF PAGES (including cover sheet): 1

Examiner Lee - in response to our telephone conversation, please find the information we discussed. These are typing errors found by the inventor after your Amendment. We request another Examiner's Amendment to correct the typing errors.

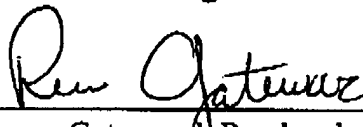

Claims 5, 18, 31, 44: change 'silicon nitrate' to 'silicon nitride', 2 places in each claim.

Claim 25: change "helvella" to "heavily"

With appreciation -

Certificate of Transmission

I hereby certify that this correspondence is being facsimile transmitted to the USPTO on July 8, 2004.

Reene Gatewood, Paralegal
